Hello Dick and Steve,

Attached are the recommended versions of the RIFS AOC and the Removal AOC in the Falcon Refinery case. When we have an agreed-upon final draft, a formal transmittal of these AOCs will be sent for signature.

In the Removal AOC, please note the following revision in redline/strikeout and comment:

Page 11, 28d. minor edit

Page 20, 55d. Interest and penalty issue. When the revision was made according to our discussions, the intent of the paragraph, read as a whole with the revision, is clear.

In the RIFS AOC, please note the following revisions in redline/strikeout:

Page 15, paragraph 43 - stylistic change.

Page 19, paragraph 58 - inadvertent omission

Page 26, paragraph 81, last sentence - stylistic position change in the sentence of our agreed-upon language.

Page 27, paragraph 85 - recommended revisions resulting from further discussions with EPA managers.

Page 27, paragraph 86 - recommended minor revision for consistency.

SOW, Task 5, Paragraph 24 - revision
